

CONTROL-IF / HAINES

NET WORKING	
Internal questions are submitted for what they say.	
Unsure, efforts made at that I'm going, I'm not	all others are applied design work
Question: What impact of a service plan, e.g. 100% A	some work on another, some not, please DM me
Question: some way between Business and 100% A	normal communication plan 100% A, 100% design work

[illegible]
